She is also a Safety Committee Member of the IEC Texas Gulf Coast Chapter.

# 2019 – 2020 ASSP Gulf Coast Chapter Executive Committee Nominees

## Nominee for Treasurer / Delegate #4 – James Charo

James has over 19 years specialized experience in the Health, Safety, Environment field. His experience includes both foreign and domestic assignments working for industry leading organizations. James has served on the ASSE Gulf Coast Chapter Executive Committee for the past 3 years as Secretary and Treasurer (2-year term).

## Nominee for Secretary / Delegate #4 – Chris George

Chris George manages corporate HSE compliance and support programs for Brock Enterprises. This includes the development and maintenance of HSE policies and procedures that support all compliance requirements, analysis of HSE quality and effectiveness. Maintains oversight of safety training and worksite practices and structures a well-organized safety strategy that fosters a culture of operational excellence across the organization to maintain a safe and healthful work environment.

## Nominee for Program Chair / Delegate #6 – Jeron Quincy

Jeron Quincy is holds a Bachelor of Science in Occupational Safety Management and a Master of Science degree in Industrial Safety Management from the University of Central Missouri. Jeron has been a Certified Safety Professional since April of 2013 and holds several other industry-issued and recognized safety credentials and certifications. Jeron has been assigned to leadership roles in HSE and Operations since 1999 and has specialized in behavior-based safety management as well as the development and implementation of safety management systems. His leadership has driven industry leading HSE results in mid-sized construction and manufacturing organizations and his dedication to a zero-harm philosophy is evident in each organization he has been a part of. Positive communication is a basic expectation he strives to have every organization embrace as they adopt and embrace a zero-harm philosophy.

## 2019 – 2020 ASSP Gulf Coast Chapter Executive Committee Nominees

### Nominee for Newsletter Chair / Delegate #7 – Kevin Bagnaud

Kevin attended and graduated from the University of Louisiana, Lafayette with a BS in Management. Finally got back home, to TX, in 1994 working for The Gray Insurance Company as a Loss Prevention Representative. This has included Risk Evaluations and Surveys, Loss Analyses, Consultations, Training, and most any other aspect of a safety nature that you can think of, without running their programs. Kevin has been an OHST for quite a few years (since 1999?) and is currently preparing to take ASP/CSP examinations. He has been involved with the Greater Houston STEPS Network for quite a few years as well, is currently serving as Secretary for the local chapter and has been involved with the ASSP Gulf Coast Chapter as well as the Energy Corridor Section.

### Nominee for Student Liaison / Delegate #8 – Johnathan Gonzalez

Johnathan Gonzalez, CSP, is a Senior Manager of HSE and Industrial Hygiene for the Brock Group. With over 10 years of professional safety experience, he has supported employers in fields varying from military service, to manufacturing, personnel training, industrial and new construction. While working full time, he graduated from the University of Houston Clear Lake in 2016 with a Bachelor of Science, with a concentration in Safety and Industrial Hygiene.

While serving in both field and corporate positions, Johnathan has helped contractors and owner sites deal directly with OSHA related issues and communications. He has successfully prepared multiple sites for VPP Star approval audits, state environmental audits and third-party audits such as HBR Best in Class and PSM audits. Alongside all duties and professional engagements, for several years, Johnathan has volunteered with a local ISD where he currently serves as the VP of the PTA.
