## WHAT'S IT ABOUT?

<b>Tues Apr 21 2020</b>	<b>10:00 am – 10:30 am CST</b>		<b>Navigating the Work Zone Safely and Successfully</b> <b>Jerry Ullman, regents fellow and manager of the Work Zones and Dynamic Message Signs Program at TTI</b> <a href="#">Register</a>
<p>Work zones have become increasingly dangerous places for both workers and drivers. Research shows increased speed limits, impatient drivers and widespread traffic congestion have contributed to a rise in work zone injuries and fatalities. Jerry Ullman, regents fellow and manager of the Work Zones and Dynamic Message Signs Program at the Texas A&amp;M Transportation Institute, will discuss the environment drivers have to navigate in work zones, as well as the importance of speed and safety.</p>
